42nd St. and Falls Rd.

### Recycling Dates—JUNE

Baltimore is now Single Stream Recycling – All items collected in one container. Instead of separating your bottles, cans, jars and paper, you can now place all these items in one container for collection. Your paper collection day last year is now the collection day for all your recyclables. DPW has also added more varieties of plastics which they will accept. Plastic bottles and jars with 1-7 on the bottom, instead of just 1-2, will now be collected.

**Paper and Plastic: 2nd and 4th Wednesday—WED., JUNE 10 & 24.**

**Bulk Trash:** Call 410-361-9333 three working days before the regular scheduled pick up day, which is the 4th Wed. of the month.

A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken.
